WOMEN'S ATHLETIC RECORDS

BY HARRY EATON STEWART, M.D.

Chairman National Women's Track Athletics Committee,
1173 Chapel Street, New Haven, Conn.

The year 1920 was the best in the history of track athletics for women in this country. More new schools instituted the sport and more records were broken than in any previous single year. It also marked the beginning of organized track work for the women of several European countries. The National Committee has been enlarged to give proper recognition to the South and West, where the interest in this form of women's athletics is growing rapidly.

By vote of the committee, the following rules and suggestions were adopted for this year:

Shot put—6, 8 and 12 lbs.

(b) The "Amateur Athletic Union Track and Field Rules" shall be official for all events covered by them.

(c) The base ball, basket ball, hurl ball and discus shall all be thrown from an eight-foot circle and measured in the same way as the shot put.

(d) Claims for New Records—Track competition is now so keen and the records of such a high order that it is necessary for the committee to weigh very carefully all new claims for records. Several such claims were set aside in 1920 because the proper conditions were not fulfilled. In order to obviate the necessity of such action in the future, coaches are reminded that:

1. All records must be made in a regular meet.

2. The officials of the meet must sign and file a statement with the committee covering specifically the following points:

(a) Three watches used.

(b) Start fair and timed by flash of gun.

(c) All hurdles remained standing.

(d) No wind at back and track level.

(e) All distances measured by steel tape.

(f) That regulations for each event were complied with.

2. SAFEGUARDS.

The committee earnestly recommends medical examination and close supervision of all track athletes, and the necessity for using extreme care in the construction of jumping pits and hurdles. The following two groups of events are suggestive of the types best suited to beginners and to the trained athlete.

Beginners' Group—30 and 75 yds. run, 60 yds. hurdles (four hurdles, 2ft. high), standing and running broad jumps, running hop, step and jump, base ball throw, basket ball throw.

Advanced Group—50 and 100 yds. run, 100 yds. hurdles (eight hurdles, 2ft. high), running high jump, 8-lb. shot put, discus, javelin or hurl ball throw (in addition to the above group).

The committee does not recommend the use of more strenuous events for women than those listed in the "advanced group."

OLYMPIC TRYOUTS, AMERICAN FORCES IN GERMANY.

AMERICAN FORCES IN GERMANY

INTER-ALLIED GAMES AND OLYMPIC TRYOUTS.

While a band played stirring strains on a field gaily bedecked with flags of every Allied nation, the sturdy track and field athletes of the American Forces in Germany showed a clean pair of heels to their British and French opponents in the finals of the Inter-Allied competitions, held Monday, May 24, 1920, on Carnival Island. The final score was: A.F.G., 140 points; British, 59 points; French, 21 points. Incidentally, the meet was also for the purpose of selecting American soldiers from the Coblenz area to go to the United States to engage in tryouts for the final choosing of Army athletes. Eight Yanks bettered marks fixed by the authorities for the States tryouts.

A black-haired, modest young Englishman—Lieut. Royle—proved the star performer of the afternoon. This son of Britain gleaned no less than 20 points for his country. He cantered home first in the 100 meters run, 110 meters high hurdles and 200 meters run, took second place in the hop, step and jump, and topped off his afternoon's work by taking third place in both the 200 meters low hurdles and the running broad jump.

Pvt. Paul of the Eighth Infantry, who hails from Fort Smith, Ark., pressed Royle closely for individual honors. His best work was in the broad jump, which he won easily with the good leap of 20 feet 10 1-2 inches. This was 10 1-2 inches better than the mark set for him to equal in order to journey to the United States for further competition. He also placed first in the 200 meters low hurdles and the running hop, step and jump, and took second in the 110 meters high hurdles. He then entered the 200 meters run and got third in that event, scoring 19 points for the Yanks.

Corp. Jackson of Headquarters Troops trotted away from the field in both the 800 and 1,500 meters. His time in the 1,500 meters, 4 minutes 28 seconds, was two seconds better than that required for entry in the final Army tryouts. Other Army athletes who earned places on the team going to the States were: Lieut. Bill Powell, pole vaulter; Capt. Maulsby, high jumper; Pvt. Cook, who finished second in the 1,500 meters run, just three-fifths of a second behind Jackson; and Lieut. Vogel and Pvt. Soldnen, first and second placers, respectively, in the javelin throw. Lieut. Powell when at college was a star pole vaulter in Missouri Valley Conference meets. He proved that he can still climb over the cross-bar at a good altitude when he won the event at 10 feet. Later he cleared 10 feet 6 inches, this without any practice.

Medals were awarded to all the contestants who had won points in the meet by the Athletic Department of the Y.M.C.A.; Lieut.-Col. Wainwright acting as master of ceremonies. Two thousand people witnessed the meet, including General and Mrs. Allen, the General's staff, and many British and French officers and men. The summary:

THE MARATHON.

Covered with dust, his track suit which had once been white, smeared and streaked, Courttnall, 6th Innerskilling Dragoons of the British Army of the Rhine, crossed the finish line winner of the 42-kilometer Marathon, one of the feature events of the Inter-Allied games and Olympic tryouts. The winner was traveling with a steady stride and showed little effects of the gruelling run. His time for the distance, which is twenty-six and one-fourth miles, was 3 hours 43 minutes 40 seconds.

As Courttnall was drawing into the finish, McNamara of the Provost Marshal Department, A.F. in G., the only other entry to finish the Marathon, was four or five kilometers back on the hot and dusty road, fighting cramps in his legs in a grim determination to finish. The race was notable as being the first Marathon staged by Americans on the Rhine. The qualifying time for the U.S. Olympic trials is three hours flat.

BOXING CONCLUDES THE PROGRAMME.

The meet was concluded at night with a rattling good boxing show. Americans, as usual in Army games, were triumphant, and the meet was a big success. The British and French contestants proved to be good sports and that caused the local entries to really enjoy the competitions.

Among the men responsible for the success of the games are the members of the Athletic Department of the Y.M.C.A. Pat Brannon, the head of that section; Charles Tooze, promoter of swimming, boxing and the Marathon; Al Haddleton, in charge of track and field; Bill Hefelfinger, who did hard work in connection with the tennis tournament, and Lew Riess and Bob Baker, general all-around utility athletic promoter, all are worthy of commendation for their untiring efforts in behalf of the meet.

BRITISH EMPIRE-UNITED STATES INVITATION MEET.

Under the auspices of the Achilles Club, a dual meet was arranged for September 4, at London, with representatives from the United States Olympic team and British athletes. The purpose of the meeting being to promote amateur athletic interest in Great Britain, the programme was made up largely of relay events, this latter form of racing not being as well known in England as in the United States. Experts familiar with the ability of the contestants figured that each country would have an opportunity to win five events, and each country did—but not the five that were figured. Great Britain won the running high jump and the 400 yards relay, which the United States was confident of winning, and, on the contrary, the Britons lost the four-mile relay and the three-mile team race, which they had hoped to carry off. Thirty thousand persons witnessed the contests. In the evening a banquet was given by the London Field to the two teams, at which the speakers all expressed their gratifica-

tion at the success of the dual competition and hoped that it would be the forerunner of many more similar international events.

Spalding "Official Olympic" Javelin

Made in exact accordance with I. A. A. F., A. A. U., and Intercollegiate A. A. A. A.
specifications.

No. 153. Spalding "Official Olympic" Javelin. Each, \$9.00

SPECIAL NOTE—Specifications in the Official Rules covering Javelin throwing are such
that in complying with them the Javelin is necessarily quite frail; hence, if it is not thrown
with the proper degree of skill it is easily broken and this through no fault of material or
workmanship. We are unable, therefore, to guarantee Javelins against breakage while in use.
We guarantee only against defective material or workmanship, and in 95 cases out of 100
where a Javelin shaft is broken we have found it was the result of faulty manipulation or
awkwardness on the part of the performer.

OLYMPIC GAMES

1920

Records and Pictures

The revival of the Olympic Games probably has done more to stimulate interest in athletics than any other feature of athletic competition. Each succeeding Olympiad sees interest increasing and a desire to know what has been accomplished. Every follower of track and field sport, every school and library, should have a copy of this book for reference. No other publication gives the results with as much detail and accuracy. Not only are track competition and swimming included but the final results in all events of the Olympic programme of 1920.

PRICE 25 CENTS

Spalding "Official Olympic" Athletic Implements

A. G. SPALDING & BROS. have been authorized officially to use this stamp on Spalding athletic implements made in accordance with International Amateur Athletic Federation specifications. Implements to be recognized as official, for use in any future Olympic Games, must bear the official I. A. A. F. stamp as shown. Spalding implements are not only officially recognized by the governing athletic bodies of the whole world, but the adoption of "actual use" by every athlete of prominence in either club, college or school competition, is accorded them because of superiority of construction over the implements made by any other concern.

The complete equipment for the Olympic Games stadium at Antwerp, 1920, was furnished by A. G. Spalding & Bros.' London house, through their local representatives in Belgium, Charles Bunyan & Sons of Brussels.

CORNELL UNIVERSITY CROSS-COUNTRY TEAM, ITHACA, N. Y.

The history of cross-country running has no record of such a finish as that made by Cornell in the Syracuse Invitation Meet on October 29, 1921, when four Red and White runners crossed the line abreast at the close of the four and a half mile race. Cornell had a perfect score of 15, with Syracuse, M. I. T., Yale, Dartmouth, Colgate, and Columbia ranging in order from 75 to 168. The first five to finish were Cornellians. The four runners tied for first are, from left to right, Charles C. Carter, Robert E. Brown, Norman P. Brown, and George Miske. Their time of 22m.49s. is a new record for the course.

Women's Athletic Records

BY HARRY EATON STEWART, M.D.
420 Temple Street, New Haven, Conn.

Chairman National Women's Track Athletics Committee
Coach Oakesmere School.

During the year 1921 there was a very rapid growth of interest in women's track athletics, both in this country and abroad. There were many splendidly organized track meets held throughout the country, the most notable of which were the Eastern Preparatory Schools Meet, held at Oakesmere School, Mamaroneck, N. Y.; the New England Y.W.C.A. Meet, held at the Harvard Stadium, and the Grammar School Meet, held in Los Angeles, Cal., with over five thousand contestants.

The West Coast has shown the most rapid advance in the growth of track athletics for women and, with the advantage of climate, is liable soon to overtake the East. It is proposed to have a Telegraphic Meet in May, 1922, under the auspices of the National Track Committee, with a very large number of schools entered.

RULES FOR 1922.

By vote of the Committee, the following rules and suggestions were adopted for this year:

1. RULES FOR COMPETITION.

(a) Standard Events—The following events only shall be considered standard, and records in them classified for comparison between schools: Runs—30, 50, 75, 100 and 220 yds. Hurdles—60 yds., four 2½ ft.; 65 yds., six 2½ ft.; 100 yds., eight 2½ ft. Relay races (4 runners)—220 yds. and 440 yds. Jumps—Standing high and broad; running high, broad, and hop-step. Pole vault. Throws—Baseball, basketball, hurlball (6-lb.), javelin (Olympic Official), discuss (Youth's Official). Shot put—6, 8 and 12 lbs.

(b) The "Amateur Athletic Union Track and Field Rules" shall be official for all events covered by them.

(c) The baseball, basketball, hurlball and discuss shall all be thrown from an eight-foot circle and measured in the same way as the shot put.

(d) Claims for New Records—Track competition is now so keen and the records of such a high order that it is necessary for the committee to weigh very carefully all new claims for records. Several such claims were set aside in 1921 because the proper conditions were not fulfilled. In order to obviate the necessity of such action in the future coaches are reminded that:

1. All records must be made in a regular meet.

2. The officials of the meet must sign and file a statement with the committee covering specifically the following points:

(a) Three watches used.

(b) Start fair and times by flash of gun.

(c) All hurdles remained standing.

(d) No wind at back and track level.

(e) All distances measured by steel tape.

(f) That regulations for each event were complied with.

2. SAFEGUARDS.

The Committee earnestly recommends medical examination and close supervision of all track athletes, and the necessity for using extreme care in the construction of jumping pits and hurdles. The following two groups of events are suggestive of the types best suited to beginners and to the trained athlete.

Beginners' Group—30 and 75 yds. run; 60 yds. hurdles (four hurdles, 2 ft. high); standing and running broad jumps; running hop, step and jump; baseball throw, basketball throw.

Advanced Group—50 and 100 yds. run; 100 yds. hurdles (eight hurdles, 2 ft. high); running high jump; 8-lb. shot put, discuss, javelin or hurlball throw (in addition to the above group).

The Committee does not recommend the use of more strenuous events for women than those listed in the "advanced group."

American Forces in Germany

BY LEW RIESS.

Associate Athletic Director Y.M.C.A.

The great Armies of Occupation track and field meet held in Coblenz, July 25, 26, 27, was a fitting climax to a great season. From the time of the first indoor meet held at the "Y" Athletic Club on March 12, when the French Army of Occupation went down to a crushing defeat, until the big Inter-Allied games, the soldiers of the A. F. in G. were given plenty of track and field athletics. The Armies of Occupation championships meet was the cream of the lot and the showing made by the Yanks was quite remarkable.

An enthusiastic crowd of spectators witnessed the overwhelming victory of the Americans over the French Army at the indoor track and field meet held in the Liberty Hut, Coblenz, during the evening of March 12, 1921. The visitors were handicapped somewhat because they were not accustomed to competing in indoor meets. Their runners, especially in the sprints, had considerable trouble in keeping up their speed on the banks, but the point difference—94 to 22—left no doubt as to the superior class of the Yanks.

The Third Battalion of the 8th Infantry had the honor of staging the first outdoor meet of the A. F. in G. season. It took place on April 22, at Carnival Island, and when the affair was over only four points separated the first and third companies in the total of points scored. The final outcome of the meet gave Company L, 32 points; Company I, 30 points, and Company K, 28 points.

The Headquarters Units staged their meet on the afternoon of April 29, at Carnival Island. Captains McCatty and Kirk were the officers who encouraged the gathering, and while not a large affair, the meet was of a great deal of interest. Headquarters Troop won top honors by gathering 32 points to the Military Police Company's 18. The Station Hospital finished in third place with 6 points.

The 50th Infantry staged two successful battalion meets, one for the First Battalion and the other for the Third Battalion. The former took place May 11 and the latter on May 25, at Mayen. Both were staged under the direction of W. H. Hefelfinger, of the Y. M. C. A. Athletic Department, assisted by Chaplain Cleary, Captain Watson and the athletic officers of the organizations.

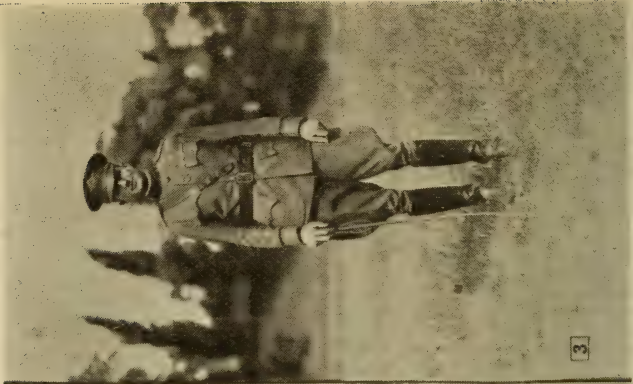

The Quartermaster and Motor Transport Corps meet afforded Col. H. H. Sheen, the commanding officer of the organizations, an opportunity to get a line on his athletic material and to see what possibilities he had within his fold. The track and field events were but part of a holiday which took place on May 24, before every member of the organizations and a crowd

from the outside. The track was laid out over an old field which had been a truck patch a few months previous, so no records were smashed. However, the events were all hotly contested and the affair as a whole was a gigantic success. Great credit is due to Major Strong, Captain Timberlake, Captain Albright and Captain Horton, for the manner in which the entire programme was carried out.

One of the most successful meets from the standpoint of individual performances took place on Carnival Island, May 27. It is doubtful if ever again in the history of track and field events among Americans in Germany will so many records be shattered. From early morning, when the 10,000 meters race took place, until the last event, all the spectators expected records to be broken. They were not disappointed, for new figures were established in about half the events.

On June 4 an interesting meet was held at Mulheim, at which novelty events made up a large part of the programme and furnished plenty of amusement for the spectators. The French Olympiads, on June 8 and 10, was a two-day affair at which the Americans made a good showing. The first day's events were staged at Mainz, while Mayence was the battle ground for the concluding events of the meet.

The Cochem to Coblenz relay race, held June 19, was a success from every angle, and not a hitch occurred during the entire programme. More than 500 men ran in the classic, and nine of the ten teams finished. Had it not been for the fact that one man lost his way, the other team would have done so as well.

The course is one of beauty. It followed the beautiful Mosel Valley, with its grape-clad vineyards and castle-bedecked hills. The roads were excellent, and the course was almost level, so it was just about ideal. The water was a bit chilly for the swimmers, but outside of this little discomfort, everything else was about perfect.

The entire course, a distance of 40 kilometers, was run by the 8th Infantry team in exactly 2 hours 54 minutes 22.5 seconds. Cooke, 8th Infantry, came in first; Watson, Headquarters Command, second; Staats, 50th Infantry, third; Thomas, Quartermaster Corps, fourth; Day, Mounted Detachment, fifth; Sheridan, 5th Infantry, sixth; Posladek, 6th Field Artillery, seventh; Bobo, Station Hospital, eighth, and Kent, M. G. T. C., ninth. The M. D. T. C. team had to fall out when Runner No. 45 lost the course near Guls. The beautiful bronze plaque awarded the winning team by the "Y" was presented to the starter and last lap man by the Commanding General, H. T. Allen.

Four American boxers were sent to Antwerp on June 17 to compete against the best of the Belgians. Of the four bouts, the Yanks won one, lost one, drew one, and lost the other by disqualification. The men who competed were Sarno, Quartermaster Corps, featherweight; Humphries, Mounted Detachment, lightweight; Gilstrap, Artillery, middleweight, and Murray, Medical Department Training Center, welterweight.

Gilstrap clearly outpointed Rene Devos, but was only awarded a draw by the referee in the main event. In the semi-final Murray exchanged wallops with Magnan. Murray was floored in the second round, but was up at the count of three. In the fourth round the Belgian began to tire, and Murray proceeded to finish the bout in a hurry, but was disqualified after being warned for holding and hitting.

Humphries was the only American to score a win. Frank outboxed and outfought Beukelaer. Sarno met a tarter in Battling Avermaete. The Belgian won all the way, but the local lad tried hard and forced the fight until the last bell.

From early morning until late at night the American Forces in Germany were entertained by a series of novelty and track and field meets, ball games and fireworks. In the First Brigade area in Coblenz the day opened with novelty events on Clemenz Platz, where everything was run off, from sack races to greased pig chases. In the afternoon a ball game and a big track and field meet was held at Carnival Island, and at night a big Inter-Allied

GROUP OF LEADING ATHLETES OF THE AMERICAN FORCES IN GERMANY.

boxing show was held at Clemenz Platz. Following this, the fireworks took place on Fort Ehrenbreitstein.

Out in the Second Brigade a novelty meet took place on the Market Platz in Mayen, and in the afternoon a big track and field meet was held on the athletic field. This was followed by fireworks, both at Mayen and Andernach. Only one bout was lost by the Americans in the Inter-Allied boxing show. It was a glorious day and one of the greatest Fourth of July's ever staged by the men overseas.

Company A of the 1st Battalion, 5th Infantry, furnished the majority of point winners at the Weissenthurm meet of July 18. The Alphabet Leaders scored a greater number of points than all of their opponents combined. When the final result was announced the score read as follows: Co. A, 86 points; Co. B, 24 points; Co. D, 22 points; Co. C, 22 points.

At the 5th Infantry meet at Andernach, July 20, Co. H was hard pressed throughout to maintain an early lead. Co. E, with 37 points; Co. G, with 26 points, and Headquarters Co., with 24 points, were close on the heels of the winners, who scored 45 points.

Fourteen records were smashed during the Armies of Occupation championship meet. They were the standing high jump, standing broad, 5000 meters run, 110 meters high hurdles, 200 meters dash, 200 meters low hurdles twice, shot put, pole vault, grenade throw, 1500 meters run, 400 meters relay and 100 meters free style swim, twice.

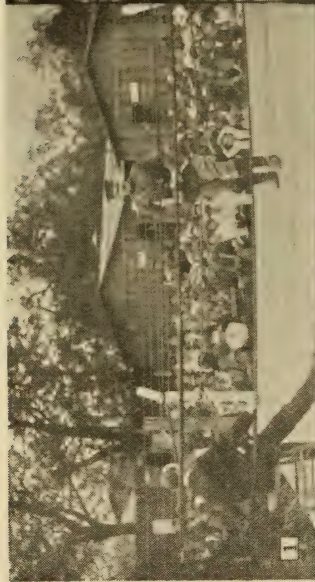

Following are the scores of the four countries in the various events on the programme: Track and field—Americans, 138; French, 92; British, 13; Belgians, 38. Boxing—Americans, 5; British, 3. Soccer football—British, 10; French, 6; Americans, 2. Tennis—Americans, 10; French, 2; British, 6; Belgians, 0. Swimming—Americans, 35; British, 26; French, 0; Belgians 0. Basketball—Americans, 10; French, 6.

Spalding "Marathon" Long Distance Running Shoes

No. MH. "Olympic Championship." Many inexperienced runners have the idea that almost any sort of a shoe will do for a Marathon or long distance run outdoors, but probably in no other competition is the necessity for a special shoe more apparent, particularly in the inside construction. OLYMPIC GAMES

RECORDS AND PICTURES

The revival of the Olympic Games probably has done more to stimulate interest in athletics than any other feature of athletic competition. Each succeeding Olympiad sees interest increasing and a desire to know what has been accomplished. Every follower of track and field sport, every school and library, should have a copy of this book for reference. No other publication gives the results with as much detail and accuracy. The next Olympiad will be held at Paris in 1924. This book gives the full programme of the athletic and swimming events, even to the hour scheduled. Contains the official athletic rules adopted by the International Amateur Athletic Federation, which govern the contests, a report of the last meeting of the International Amateur Athletic Federation and of the meetings of the governing bodies of various sports held in Switzerland in 1921, and constitution of the American Olympic Association with a list of member associations, officers and committees. Profusely illustrated.
